Dear Shareholder

**Settlement Plan and Notice of General Meeting**

**1 INTRODUCTION**

*Settlement Plan*

On 4 July 2016, the Court granted its approval to convene meetings of the Bondholders and Shareholders in each case to consider and, if thought fit, to approve the Settlement Plan.

On 19 August 2016, the Company announced that the Independent Directors have recommended that Shareholders approve the entry into of the Settlement Plan.

As previously announced, the Settlement Plan is proposed to be entered into by the Company as a result of the downturn in the Russian economy and the significant deterioration of the Rouble against the US\$ which has led to the Company experiencing cash flow difficulties and a reduction in its revenues and profits.

Pursuant to the terms of the Settlement Plan, the debt of approximately US\$219 million owed to the Bondholders will be converted into the following:

- (a) the Equity for Debt Shares to be issued to the Bondholders (the Equity for Debt Shares will upon issue represent approximately 91.7% of the Existing Share Capital); and
- (b) a new debenture series with a principal amount of US\$45 million to be issued to the Bondholders.

Upon completion of the Settlement, the Company will issue to the Managers the Management Options, representing, if exercised, up to 9% of the issued share capital of the Company on a fully diluted basis, i.e. immediately after their exercise and after the issue of the Equity for Debt Shares, the Subscription Shares and the Open Offer Shares.

Please refer to the Explanatory Statement in relation to the Settlement Plan set out in Part 3 of this document for more detail on the Settlement Plan, including, the background, reasons and conditions.

The terms of the Settlement Plan are set out in full in Part 2 of this document.

#### Capital Raising

In order for the Settlement Plan to be completed in accordance with its terms, the Company intends to proceed with the Capital Raising to raise the Commitment Amount.

The Capital Raising will comprise the Subscription and the Open Offer to raise up to US\$14.1 million (before expenses).

The Capital Raising will be conditional on Shareholders' approval to, amongst other things, issue the Subscription Shares and the Open Offer Shares and disapply pre-emption rights in relation to the issue of the Subscription Shares.

It is proposed that the Open Offer is made to all Shareholders to provide them with the opportunity to subscribe for new Ordinary Shares, pro-rata to their holdings of the Existing Ordinary Shares (excluding fractional entitlements) on the same terms of the Subscription. Full details of the Subscription and the Open Offer, including the terms and conditions, will be set out in the Subscription and Open Offer Circular which the Company intends to send to Shareholders following the General Meeting.

The Controlling Shareholders have irrevocably undertaken to the Company to provide the Commitment Amount, thereby ensuring that, if the Capital Raising proceeds, they will subscribe for all new Ordinary Shares offered under the Open Offer (subject to clawback to satisfy valid applications by Shareholders (other than the Controlling Shareholders under the Open Offer)).

Save as described above in relation to the subscription by the Controlling Shareholders for all the new Ordinary Shares, the Open Offer will not be underwritten.

The Subscription and Open Offer Circular will not be posted to the Shareholders if the Settlement is not approved by the Shareholders and Bondholders and, therefore, the Capital Raising will not proceed.

#### TASE Admission and cancellation of trading on AIM

In connection with the Settlement, the Company intends to apply for the admission of the Enlarged Share Capital to trading on TASE.

In the event that TASE Admission does not occur, the Settlement will not complete.

As part of the TASE Admission, it is also necessary to seek Shareholder authority to apply for the cancellation of trading on AIM of the Company's issued share capital. The Subscription and Open Offer Circular will include the necessary Shareholder resolution in relation to cancellation of trading on AIM. TASE Admission and cancellation of trading on AIM of the Company's issued share capital will not proceed if the Settlement is not approved by the Shareholders and the Bondholders and the Subscription and Open Offer Circular will not be posted.

### Purpose of this document

The purpose of this document is to explain the background to the Settlement and to set out the reasons why the Independent Directors believe that the Settlement is in the best interests of the Company and its Shareholders. The Settlement (if completed) will help the Company to continue developing its projects, managing its assets and providing financial support to its subsidiaries.

### General meeting

The General Meeting of the Company is to be held at 11.00 a.m. (Cypriot time) at Office 606, 6th floor, Nicolaou Pentadromos Centre, Thessalonikis Street, 3025 Limassol, Cyprus on 5 September 2016. The Notice convening the General Meeting is set out at the end of this document and a Form of Proxy or Form of Instruction (as applicable) is also enclosed for you to complete. This letter includes an explanation of the Resolutions.

## **2 BACKGROUND TO AND REASONS FOR THE SETTLEMENT**

In the last two years there has been a significant deterioration of the economic situation in Russia due to various macroeconomic factors which resulted in, amongst other things, a significant depreciation of the Rouble exchange rate against the US\$. The exchange rate at the beginning of the crises was approximately 33 Roubles to the US\$; in December 2014 the Rouble exchange rate stood at approximately 56 Roubles to the US\$. During 2015, the depreciation of the Rouble exchange rate against the US\$ continued and in December 2015 the Rouble exchange rate stood at approximately 73 Roubles to the US\$. During 2016, the Rouble exchange rate dropped to a minimum of approximately 82.5 Roubles to the US\$, and as at 18 August 2016 (being the latest practicable date prior to circulation of this document) the Russian currency is trading at approximately 64 Roubles to the US\$. In addition, the base interest rate in Russia rose sharply from 8% in July 2014 to 17% by the end of 2014. During 2015, the central bank of Russia lowered the interest rate gradually to 11%. As at 18 August 2016 (being the latest practicable date prior to circulation of this document) the interest rate stood at 10.5%.

The vast majority of the income of the Company's subsidiaries is generated from (i) the leasing of commercial centres and office complex; and (ii) the sale of the residential property, with such income, in each case, denominated in Roubles and linked to the US\$ on the date of payment. The Group's debt is denominated in the US\$, while income of the tenants and the buyers of the residential property is denominated in Rouble, therefore, the extreme currency devaluation has affected the Company's financial results and liquidity.

The Settlement (if completed) will assist the Company to continue developing its projects, managing its assets and providing financial support to its subsidiaries to allow the Company to continue its operations as a going concern.

## **3 CONDITIONS TO THE SETTLEMENT PLAN**

The Settlement Plan is conditional on, amongst other things:

- (a) the approval by the Shareholders of the Settlement Plan and the Resolutions which will be sought at the General Meeting;
- (b) the approval of the Settlement Plan by the Bondholders;

- (c) the approval of the Settlement Plan by the Court;
- (d) the approval of the issue of the securities under the Settlement Plan by the ISA;
- (e) the entry into and completion of a settlement agreement between the Company and Sberbank;
- (f) the increase in the Company's authorised share capital;
- (g) the receipt of the signed undertaking from the Controlling Shareholders in respect of the Commitment Amount (as at the date of the document this condition has been satisfied);
- (h) the receipt of TASE approval for admission of the Enlarged Share Capital, the Remaining Debt (Series G Bonds) and the new Ordinary Shares to be issued upon exercise of the Management Options to trading on TASE; and
- (i) TASE Admission.

In addition, the Settlement Plan is conditional upon the approval by Shareholders of the necessary resolutions to complete the Capital Raising, to be set out in the Subscription and Open Offer Circular.

**If any of the above conditions are not satisfied in full, the Settlement Plan will not become effective.**

#### 4 **DIRECTORS' AND OTHER INTERESTS**

- 4.1 As at 18 August 2016 (being the latest practicable date prior to the date of this document) and as expected to be held following the Settlement Plan becoming effective, the interests (all of which are beneficial) of the Directors and their immediate families in the Company's issued share capital are or are expected to be as follows:

<i>Director</i>	<i>Number of Existing Options</i>	<i>Percentage of issued share capital</i>
Roman Rozental	449,198	0.43%
Yevgeny Steklov	258,750	0.25%

In connection with the Settlement Plan, upon its completion, the Managers will be issued the Management Options, which will represent, if exercised, up to 9% of the issued capital of the Company. As at the date of this document, the Company has not completed allocation of the Management Options and will make announcements once such allocations are made.

- 4.2 As at 18 August 2016 (being the latest practicable date prior to the date of this document) and as expected to be held following the Settlement Plan becoming effective, the Company is aware of the following existing Shareholders (other than any Director) who by virtue of the notifications made to it pursuant to the 2006 Act and/or the Disclosure Guidance and Transparency Rules, are or will be immediately following the Settlement Plan becoming effective be interested, directly or indirectly, in 3 per cent. or more of the Company's issued share capital:

	<i>Before</i>		<i>Following the issue of the Equity for Debt Shares</i>	
<i>Name</i>	<i>Number of Ordinary Shares</i>	<i>Percentage of voting rights</i>	<i>Number of Ordinary Shares</i>	<i>Percentage of voting rights</i>
Industrial Buildings Corporation Ltd	41,660,688	40.23%	111,968,080	7.84%
Jerusalem Economy Ltd	31,551,701	30.47%	84,798,969	5.94%
Darban Investments Ltd	15,746,405	15.21%	42,320,346	2.96%

- 4.3 Neither the Bondholders nor the Directors have personal interests in the Settlement Plan, except for (i) the issue of the Management Options to the Managers as detailed in paragraph 4.1 above and section 7 of the Settlement Plan, (ii) the issue of the shares and new bonds series to the Controlling Shareholders (who are also the Bondholders) as detailed in paragraph 4.2 above and section 5 of the Settlement Plan; and (iii) the mutual exemption from claims as detailed in section 13 of the Settlement Plan.

## 5 **DILUTION OF THE SHARE CAPITAL BY ISSUE OF THE EQUITY FOR DEBT SHARES**

Upon the issue of the Equity for Debt Shares the proportionate ownership and voting interests in the Ordinary Shares of holders of the Existing Ordinary Shares will be reduced accordingly, they will suffer a dilution of approximately 91.7% to their interest of the Company.

Shareholders who do not take up their entitlement under the Subscription and Open Offer, when made, will suffer further dilution.

Upon exercise of the Management Options (subject to meeting performance criteria), holders of the Existing Ordinary Shares will be further diluted.

Further details will be included on the Subscription and Open Offer Circular.

## 6 **CURRENT TRADING AND PROSPECTS**

The Russian business environment has been adversely affected by a well-publicised series of events that were both unforeseeable and beyond the Company's control. The combined effects of a major devaluation in the Rouble, economic sanctions, further reductions to oil prices, low growth and high inflation have damaged both the real estate sector and the business environment as a whole. Given this exceptional combination of factors the Company's core business has proved remarkably resilient and the Company's results at the operating level remain encouraging. Unfortunately, however, the economic events referred to above have had a major adverse impact on the Group's portfolio valuations and profitability.

The challenging economic environment has had a substantial impact on the independent valuation of the Company's real estate portfolio. In accordance with the 31 March 2016 valuation, the Company's residential projects, investment properties and investment properties under construction were valued at US\$426.2 million, as compared to US\$981.2 million as of September 2014 (the latest valuation prior to the beginning of the economic crisis). The value of the portfolio has therefore fallen by approximately 57% during this.

### **3. Execution of the Settlement - General**

- 3.1 The Settlement will enter validity upon the Settlement Execution Date, and all the actions, stated in Section 11 hereunder, will be executed thereupon.
- 3.2 All the Settlement actions, which according to this Settlement Plan ought to be carried out on the Settlement Execution Date, will be viewed as if they were executed simultaneously, by way of combined obligations, suspending the validity of the Settlement, whereby no Settlement action shall be viewed as if it was executed until all Settlement actions were carried out and completed. In the event that the Settlement Execution Date does not take place within 30 days from the Effective Date (or upon a latter date, which would be agreed upon in writing between the Company and the Trustees, to the extent that according to their reasonable discretion, the Settlement Execution Date should be postponed, pursuant to its execution in accordance with its terms, but which will not exceed 21 days from completion of the 30 days stated above (provided that in any event of postponement, as stated above, the Company will issue an immediate report specifying the reasons for the postponement of the Settlement Execution Date)), or if this Settlement is lawfully revoked prior to the execution of all the actions according to it - all the other actions, which were executed within the framework of the Settlement, will be revoked retroactively, and the rights of parties to the Settlement will be reinstated, as if said actions were not carried out altogether.
- 3.3 Each security allotted to the current Debenture Holders, according to this Settlement Plan will be issued *pro rata* between the holders of Debentures A, Debentures B, Debentures C, Debentures D, Debentures E, Debentures F and the Interest Entitled, according to the ratio between: (a) the total balance of the debt (at par) to each of the current Debenture Holders (including the Interest Entitled), as of the Effective Date; and (b) the total balance of the debt (at par) to all the current Debenture Holders (including the Interest Entitled), as of the Effective Date. The balance of the debt stated in Subsections (a) and (b) above, as of June 30, 2016, is as specified in **Appendix 3.3**. Upon the Effective Date, the

above ratio will be calculated by the Company, as of the Effective Date, subject to the approval of the economic consultant of the Trustees. Allotment of the issued securities will be determined according to said ratio. It is hereby clarified that no fractions of securities will be issued under this Settlement, as per the aforementioned ratio, and any fraction of security will be rounded upward to the nearest whole number.

“**At par**” shall mean - with respect to particular debentures as of a particular date - the obligatory value of such debentures (principal, interest accrued and un-paid as yet, and linkage differentials (insofar as the terms of these Debentures include linkage differentials), without fines and arrears interest or any interest adjustments, including in consequence of failure to meet the financial stipulations or grading decreases, accumulated up to a particular date.

3.4 In any event of discrepancy between this Plan and its Appendices, the Appendices shall prevail.

3.5 In any event of discrepancy between the Hebrew-language version of this Settlement Plan, including all its Appendices, and between the Greek-language or English-language versions of this Plan, including all its Appendices (including the draft filed with the court in Cyprus), the Hebrew-language version shall prevail.

4. **Increasing the Registered Capital**

The registered capital of the Company, amounting to \$1,350,000, divided into 1,350,000 shares of the Company of \$0.01, n.v. out of which 103,458,005 shares of the Company have been issued - will be increased up until the Effective Date, as a Suspending Condition to the execution of the Settlement, into share capital which would be in the amount of \$17,000,000 divided into 1,700,000,000 of the Company.<sup>1</sup>

5. **The Considerations According to the Settlement to the current Debenture Holders - Shares of the Company and the New Debentures**

Upon the Settlement Execution Date (following the allotment of the shares according to the Issue to the Shareholders) all the following actions will be executed, whereby the total debts to the current Debenture Holders, according to their balance upon the Settlement Execution Date - will be replaced with the securities, specified in Sections 5.1 and 5.2 hereunder.

In addition, upon the Settlement Execution Date all the Current Debentures will be stricken out of trade and be revoked, and will no longer confer upon the current

Debenture Holders any right according to them (including for payments that should have been executed prior to the Settlement Execution Date, and which were not executed). Furthermore, upon the cancellation and striking out of the Current Debentures, as stated above, the validity of the current deeds of trust shall expire and all the rights conferred to any party whatsoever according to them shall also expire.

5.1 **Allotment of Shares to the Current Debenture Holders**

Shares of the Company (the "**Issued Shares**"), which would be fully paid-up, free and clear of any debt, pledge, lien, attachment, right of refusal or any other right of any third party, and released from any restriction with respect to transferability of the shares, including the blocking restrictions under the Securities Law, representing 80.5% of the issued and paid-up share capital of the Company (73.3% of full dilution)<sup>2</sup>, immediately after allotment thereof and after allotment of all the shares and securities, according to the Settlement Plan (including the Management Options).

Notwithstanding that stated above, in the event that after completion of the issuing to the shareholders, as specified in Section 6.1 hereunder, the rate of holding of the shareholders, participating in the Issue to the Shareholders ("**The Participating Shareholders**") will be under 100% of the issued and paid-up capital of the Company, then the rate represented by the Issued Shares will be decreased by 80.5% from the balance between 100% and the rate of holding, held by the Participating Shareholders following the Issue to the Shareholders. Notwithstanding, in any event, the rate of the Issued Shares will not be under 79.6% of the issued and paid-up share capital of the Company (72.5% of full dilution) after allotment of all the shares and securities, according to the Settlement Plan (including the Management Options).

It is hereby clarified that companies, held by the Company (directly or indirectly), which hold the Current Debentures upon the Settlement Execution Date, will not be entitled to receive shares of the Company with respect to their holdings in the Current Debentures, and the debentures held by such

---

<sup>2</sup> The calculation under full dilution, as per this Settlement Plan, includes the management options according to this settlement plan, however, it does not take into account the options for shares, allotted to employees and officers of the Company (including the CEO and the CFO of the Company), as specified in Note 19 to the Financial Statements of the Company for 2015, published on March 16, 2016, which will remain valid even after the Settlement Execution Date ("**Full Dilution**").

companies, that are held by the Company (directly or indirectly) shall be revoked without any consideration.

**For example:** after completion of the issuing to the shareholders, the Participating Shareholders are holding in 99% of the issued and paid-up capital of the Company under full dilution, while 1% is held by shareholders, who have not participated in the issuing to the shareholders.

In consequence thereof, according to the method stated above, the rate of Issued Shares will be decreased to a rate of 79.6% of the issued and paid-up share capital of the Company (72.5% of full dilution), immediately after allotment of the Issued Shares and after all the remaining allotments, as per this plan (including the Management Options).

The Issued Shares will be registered for trade on the stock exchange within 7 Trading Days from the Settlement Execution Date, and will have equal rights as the rights attaching to the current shares of the Company, as of the Settlement Execution Date.

Without prejudice to the provisions of Section 5.2 hereunder, payment of the par value of the Issued Shares will be executed against waiver of the holders of the Current Debentures of the debt concerning the Current Debentures, according to an amount, equivalent to the payment required by law and/or in accordance with the code of the stock exchange in consideration of the par value.

Details of the manner of allotment of the Issued Shares between the Current Debentures, while making a distinction between the quantity of shares, allotted to each of the current series of debentures, Debentures SA 6/15 and the Interest Entitled, are attached hereto as **Appendix 5.1.**

## **5.2 The Issuing of the New Debentures**

The Company will issue the New Debentures to the holders of the Current Debentures, and the current deeds of trust will be replaced with the New Deed of Trust and be cancelled from that date henceforth. The provisions of the New Deed of Trust alone shall apply to the New Debentures.

It is hereby clarified, that the companies, that are held by the Company (directly or indirectly), which are holding the Current Debentures upon the Settlement Execution Date, will not be entitled to receive Debentures (Series G) for their holdings in the Current Debentures, and the debentures held by the

companies, held by the Company (directly or indirectly) by will be stricken out without any consideration.

**Conditions of the Debentures (Series G)**

The following is a concise description of the principal commercial conditions of the new debentures:

respect to such early payment. An early payment, as stated, shall be executed according and subject to the directives of the stock exchange and the provisions of the New Deed of Trust with respect to an early payment;

5.2.8 The right of placement for immediate payment of the New Debentures shall arise to the holders of the Debentures (Series G) only upon occurrence of any of the events specified in Section 35.i.1 of the Securities Law, according and subject to the provisions of the New Deed of Trust.

5.3 Details of the manner of allotment of the Debentures (Series G) between the Current Debentures, while making a distinction between the quantity of Debentures (Series G) which would be allotted to each of the current series of debentures, Debentures SA 6/15 and the Interest Entitled, are attached hereto as **Appendix 5.3**.

## 6. Inflow of the Controlling Companies

6.1 Until and not later than the lapsing of 20 days after the date of fulfillment of the Suspending Condition, specified in Section 10.5 hereunder, the Company will offer to all of its shareholders to purchase shares of Company, according to the total amount of Issue to the Shareholders (the "**Issue to the Shareholders**"), either in one offer to all the shareholders or according to separate public and/or private offerings, in accordance with the discretion of the Company, as per the provisions of the relevant laws applying thereto. The Company will be entitled to determine that the consideration for the shares allotted within the framework of the offering to the shareholders, will be paid to it upon the Settlement Execution Date, and accordingly also the actual allotment of shares will be executed on same date.

The Controlling Companies will purchase all the shares of the Company, which would be offered to them within the framework of the offering (issue) to the shareholders (according to their rate of holdings in shares of the Company) (the "**Shares to the Controlling Companies**") and they will pay the consideration due from them for the Shares to the Controlling Companies (the "**Consideration of the Shares**"), as specified hereunder: (a) part of the Consideration of the Shares in an amount equivalent to the amount of the loans of the Controlling Companies will be paid by way of converting the full loans of the Controlling Companies into share capital of the Company or by way of offsetting the amount of the loans of the Controlling Companies; and in addition – (b) the balance of the Consideration of the Shares (after deduction of the amount of the loans of the Controlling Companies) will be paid by the Controlling Companies in cash. However, in the event that due to whatever cause, it will not be possible to pay for the Shares to the Controlling Companies

by way of converting the loans of the Controlling Companies or offsetting, as stated in Subsection (a) above, then the Controlling Companies will purchase all the Shares to the Controlling Companies against cash payment only, and the Company will use the Consideration of the Shares in order to pay the loans of the Controlling Companies forthwith.

- 6.2 In the event that within the framework of the Issue to the Shareholders, the amount raised by the Company would be under the issuing amount to the shareholders (the "**Issuing Balance**") then upon the Settlement Execution Date, the Company will allot to the Controlling Companies additional shares of the Company ("**The Additional Shares**"), in consideration of the amount of the Issuing Balance (according to a share price determined in the offering to the shareholders). Any amount which would be transferred to the Company by the Controlling Companies, from the day following the date of issuing to the shareholders until the Settlement Execution Date (including amounts according to the provisions of Section 12 hereunder, if and to the extent that they are transferred by the Controlling Companies) – will be decreased from the amount of the Issuing Balance.

Example (based upon current data, as of June 30, 2016): within the framework of the offering to the shareholders, the Controlling Companies will be required to purchase shares of the Company, according to an amount of \$12.11 million (85.9% of the amount of offering to the shareholders). An amount of \$6.1 million will be converted into share capital of the Company, while an amount of \$6.11 million will be paid in cash; in an event whereby none of the shareholders, which are not among the Controlling Companies, will participate in the offering, the balance amount in the offering will be approx. \$1.99 million, and the Controlling Companies will be required to invest this amount in cash.

- 6.3 In consideration of execution of the investments, as stated in Sections 6.1 and 6.2 above, the Controlling Companies and the remaining shareholders of the Company, participating in the Issue to the Shareholders, will be allotted shares of the Company ("**The Shares Issued to the Shareholders**"), which would be all fully paid-up, representing 19.5% of the issued and paid-up share capital of the Company (17.47% of full dilution) immediately after their allotment and after

allotment of all the shares and securities, according to the Settlement Plan (including the Management Options).

Notwithstanding that stated above, in the event that after completion of the Issue to the Shareholders, as specified in Section 6.1 hereunder, the rate of holding of the Participating Shareholders will be under 100% of the issued and paid-up capital of the Company, then the rate of the Issued Shares to the shareholders will be decreased by 19.5% of the balance between 100% and the rate of holding, held by the Participating Shareholders following the Issue to the Shareholders.

- 6.4 It is hereby clarified that the internal division between the Controlling Companies with respect to fulfillment of their obligations under the **Stand Still Undertaking of the Controlling Companies** (according to their definition hereunder) will be according to the direct rate of holding of each of them in the capital of the Company or as would be as agreed between the Controlling Companies from time to time, according to their sole discretion.
- 6.5 From the date of issuance of the shares to the Controlling Companies, as stated in Section 6.1 and/or 6.2 above and for a period ending upon completion of 12 months from the Settlement Execution Date (the "**Blocking Period**") sale of the shares allotted to the Controlling Companies within the framework of the issue to the shareholders will be restricted, as stated in Section 6.1 and/or 6.2 above (the "**Blocked Shares**") as follows:
- a. During a period, ending upon completion of 6 months from the Settlement Execution Date (the "**Initial Period**"), the Controlling Companies will not be entitled to sell or transfer the Blocked Shares, entirely or partially, directly or indirectly, either in stock exchange transactions or outside the stock exchange or in any other manner.
  - b. From completion of the Initial Period until the end of the Blocking Period, the Controlling Companies will be entitled to sell and transfer up to 50% of the Blocked Shares, either in stock exchange transactions or outside the stock exchange.
  - c. The restrictions, stated in Subsections (a) and (b) above will not apply to the following: (i) sale of the Blocked Shares (entirely or partially) within the framework of a purchase offer made (if any) to the shareholders of the Company during the Blocking Period; and (ii) sale and transfer of the

Blocked Shares (entirely or partially) between the Controlling Companies and also between the Controlling Companies and companies, controlled by them, so long as the entity receiving the shares will approve in advance and in writing, that it undertakes the blocking restrictions on the strength of the provisions of this Section 6.5.

- d. Upon completion of the Blocking Period, the Controlling Companies will be under no restriction whatsoever in connection with the sale and/or transfer of shares of the Company, held by them, including the Blocked Shares.

6.6 The irrevocable obligation of the Controlling Companies, as specified in Sections 1 above and in Section 8 hereunder, is attached hereto as **Appendix 6.6**.

7. **Allotment of Securities to the Management of the Company**

Upon the Settlement Execution Date, the following provisions will apply with respect to the allotment of securities to the management of the company:

- 7.1 The management of the Company shall be allotted, according to a distribution to be determined by the Company, free of charge, option warrants (non-negotiable) for the purchasing of shares of the Company, representing, under the assumptions of their realization, nine percent (9%) of the issued and paid up capital of the Company immediately after their allotment and after allotment of all the shares according to the Settlement Plan (including allotment of the Issued Shares) (**the "Management Options"**).

The terms of the Management Options will be determined by the board of the Company and will include the following conditions, specified hereunder:

- a. An approval, as stated, will be published prior to the date of the preliminary meetings of the current debenture

(unless the reason for non-fulfillment of a Suspending Conditions up until the Final Date emerges from a malicious prevention with respect to the application of a Suspending Condition by any of the parties, after this Settlement Plan has been approved by same party, being the cause that not all the Suspending Conditions were met (the "**Preventing Party**") – in such an event the party that has not maliciously prevented the fulfillment of the condition, as stated, will have the right to file a claim against the Preventing Party only), and the rights of all parties to this Settlement Plan will be reinstated. Notwithstanding that stated above, the parties may agree in writing to extend the date for the fulfillment of the Suspending Conditions by up to 14 days from the Final Date (without need for approval of the Debenture Holders meetings) for a fixed period, determined by a joint meeting, as stated. In addition it is clarified that all approvals received for this plan, as specified above, will be given for the entire provisions of the plan as a whole, including all parts thereof, and if any change is made in this Settlement Plan over the course of its approval proceedings (other than changes with negligible effect on the rights of any of the parties to this Settlement Plan), after either of the parties gave its approval thereto, a renewed approval of that party will be required.

Notwithstanding that stated above, in the event that the Suspending Condition, specified in Section 10.9 above (approval of the preliminary meetings) is not met until the date stated therein, this Settlement Plan will be null and void immediately and automatically, without the Company, the Controlling Companies, the Trustees and debenture holders having any contention, requirement or claim in respect thereof, and the rights of all the parties to the Settlement Plan will be reinstated.

Notwithstanding that stated above, if any of the Exempted Parties is sued (the "**Defendant**") by anyone (the "**Plaintiff**") according to any cause of action, including the causes included in the Waiver, the Waiver will not prevent the Defendant from filing a counter claim against the Plaintiff and/or from sending third party notices against any party whatsoever, including the Exempted Parties or any of them (the "**Third Party**"), without prejudice in any manner

whatsoever to the rights of the Third Party on the strength of the Waiver against the Plaintiff. Notwithstanding that stated above, the Company will be prevented from filing a third part notice against any of the Exempted Parties.

13.7.1 To determine supplementary technical provisions pertaining to this Settlement Plan (including the New Deed of Trust), provided that such provisions do not prejudice, in a non-negligible manner, the rights of any of the parties to this Settlement Plan;

13.7.2 To determine provisions in matters, pertaining to the proving of rights over the Debentures, provided that according to the discretion of each of the Trustees, such provisions shall not prejudice, in a non-negligible

In order to remove any doubt, the Holders of the Additional Debentures, as stated in this section above, will not be entitled to any interest with respect to interest periods, that the Effective Date for payment thereof is prior to the date of their issuance.
- 4.4 The Debentures may be issued according to their par value, at a discount or according to a premium.

- 4.5 In the event that the rate of discount, determined for the Debentures, on account of an increase in the Series of Debentures, is different from the rate of discount of the existing Debentures, being in circulation at such a time, the Company will approach the Tax Authority immediately, prior to the increase in the Series, in order to obtain its approval that in the matter of any withholding of tax at source from the discount fees with respect to aforementioned Debentures, a uniform rate of discount will be determined for the aforementioned Debentures, according to a formula that weighs various rates of discount in that series. In the event that such an approval is received, the Company will calculate, prior to the date of increase in the series, the weighted rate of discount with respect to the entire series of Debentures and will publish the uniform weighted rate of discount for the entire series in an immediate report, prior to the increase in such a series, and the tax will be deducted upon the payment dates of the aforementioned Debentures of the series, according to such weighted rate of discount, as per the provisions of any law. If no approval is received, the Company will notify in an immediate report (prior to the issuance of the Debentures, resulting from the increase of the Series) of such non-receipt of the approval and that the uniform rate of discount will be the highest rate of discount with respect to the series. Members of the Stock Exchange will withhold the tax at source upon payment of the Debentures from that series, pursuant to the rate of discount, which would be reported, as stated above. Therefore, there could cases in which the Company will withhold the tax at source on account of discount fees at a higher rate than the discount fees determined for anyone holding Debentures from that series, prior to the increase in the series. In such a case, subject and according to the provisions of the law applicable at such a time, an assessed who held Debentures, prior to the increase of the series until payment of the aforementioned Debentures, will be entitled to file a tax return with the Tax Authority and receive a refund for the tax withheld at source from the discount fees, to the extent it is entitled to such a refund in accordance with the provisions of any law.

In the commitment of the Trustee in this Deed of Trust and its consent to serve as a trustee for the Debenture Holders, the Trustee is not expressing its opinion, explicitly or implicitly, with respect to the economic value of the securities, to the extent that such would be provided (if any) by the Company and also with respect to the capability of the Company to meet its undertakings toward the Debenture Holders. The contents stated above may not prejudice the duties of the Trustee according to the law or under the Deed of Trust (to the extent that such a duty applies to the Trustee under the provisions of any law). Notwithstanding that stated, in the event that the payment is under NIS1 million, in such a manner that it is impossible to divide it, the Company will deposit same amount with the Trustee in lieu of transferring the amount to the Debenture Holders (however, in order to remove any doubt, it shall not be viewed as redemption of the part that was not actually redeemed) and it will

serve for payment of the principal of the Debentures upon the coming payment date or for the execution of an early redemption of the Debentures.

- 8.2.6 No early redemption will be carried out for part of a series of Debentures if the last redemption amount is under NIS3.2 million.
- 8.2.7 In the event of a partial early redemption, if any, the Company will pay to the Debenture Holders, upon the partial early redemption date, the interest accumulated merely for the part, which is partially redeemed but not for the entire unpaid balance.

- 9.2.6 The Trustee is entitled, according to its discretion, to shorten the aforementioned period of 21 days (as per Section 9.2.1 of this Deed) and/or the aforementioned 15 day warning, as per Section 9.2.5 above, in the event the Trustee deems that it is necessary for the protection of the rights of the Debenture Holders.
- 9.2.7 In the event, that a reasonable period is determined in any of the sub-sections of Section 9.1 above, whereby the Company may execute any action or adopt any resolution, as a result of which the cause for calling for immediate payment is removed, the Trustee or the Debenture Holders may place the Debentures for immediate payment, as stated in this Section 9, only if such determined period has elapsed and the cause has not been removed; however, the Trustee may shorten the aforementioned period if it deems that it may significantly prejudice the rights of the Debenture Holders.
- 9.2.8 The Company will issue an immediate report upon occurrence of an event constituting a cause for immediate repayment after actually having been informed thereof.
- 9.2.9 The contents stated above will not derogate from the right of the Trustee to call for immediate payment of the Debentures, due to the causes specified in Section 9.1 above.
- 9.2.10 In order to remove any doubt, it is clarified that the right to call for immediate payment, as stated above and/or the actual call for immediate payment will not derogate or prejudice any other or additional remedy, available to the Holders of the Debentures (Series G) or to the Trustee under the terms of the Debentures (Series G) and the provisions of this Deed or according to the provisions of any law. Avoiding the call for immediate payment upon occurrence of any of the events specified in Section 9.1 will not constitute any waiver of the rights of the Debenture Holders or of the Trustee.

This duty of confidentiality will also apply to any agent of the Trustee (including any consultant, lawful representative and the like) who, if requested by the Company, will deliver such an undertaking of confidentiality. It is clarified, that the transferring of information to the Debenture Holders, pursuant to the taking of a resolution, pertaining to their rights according to the Debentures or for the purpose of giving a report of the condition of the Company - does not constitute a breach of the confidentiality obligation of the Trustee, as stated.

- 20.1 Pay the Debenture Holders and the Trustee all the amounts due to them and/or which would be due to them according to the provisions of the Deed of Trust, whether the date for payment of the obligation with respect to them is due or not ('Acceleration'), within 14 Business Days from the date of such notice.
- 20.2 Issue the declarations and/or sign all documents and/or execute and/or cause the execution of all actions that could be necessary and/or required under the Law, in order to vest validity upon the authorities, powers and authorizations of the Trustee and/or its lawful representatives.
- 20.3 Give all notices, orders and instructions, deemed useful by the Trustee, pursuant to the implementation of the provisions of the Deed of Trust.  
For the purpose of this section — a written notice signed by the Trustee, confirming that an action, required by it within the scope of its powers, is a reasonable action, will constitute *prima facie* evidence thereof.

## 21. **Representatives**

The Company hereby irrevocably appoints the Trustee as its representative, in order to execute, on its behalf and in its stead, all actions that it should carry out in accordance with the terms of this Deed, and to generally act on its behalf in connection with actions that the Company should carry out under this Deed and has failed to execute them, or to exercise part of the authorities vested in it, and to appoint any other person as the Trustee may deem fit for the execution of its duties under this Deed, provided that the Company failed to carry out such actions that should have been carried out by it in accordance with the terms of this Deed within a reasonable period of time, as determined by the Trustee, from the date of the Trustee's demand, and provided it has acted in a reasonable manner.

Nothing in the appointment under this Section may be binding upon the Trustee to take any action, and the Company hereby releases the Trustee and its agents in advance in the event that they fail to take any action, and the Company waives in advance any claim it may have against the Trustee and its agents for any damage incurred or that could be incurred by the Company, directly or indirectly, as a result thereof, due to any action not carried out by the Trustee and its agents, as stated above.

22. **Reporting by the Trustee**

22.1 From the signature date of this Deed, in each calendar year, the Trustee will prepare an annual report with respect to the affairs of the trusteeship in accordance with the provisions of Section 35h1(a) of the Law (hereinafter: the "**Annual Report**").

22.2 According to the provisions of Section 35h1(b) of the Law, the Trustee will prepare a report, according to the reasonable requirement of the Holders of at least ten percent of the balance of the par value of the Debentures, within a reasonable time from the date of the requirement, subject to the confidentiality obligation of the Trustee toward the Company, as provided in Section 35J(4) of the Law.

23. **Special Powers**

The Trustee will be entitled to deposit all certificates and documents evidencing, representing and/or establishing its right with respect to any asset, which is in its possession at such time, in a safe box and/or any other place, as it may choose, with any banker and/or banking company and/or attorney.

The Trustee, within the framework of trusteeship affairs under this Deed, may seek the opinion and/or advice of any attorney, accountant, appraiser, assessor surveyor, broker or any other expert (hereinafter, "**Consultants**") and it may act in accordance with their conclusions, whether such opinion and/or advice was prepared at the request of the Trustee and/or by the Company. The Trustee will not be liable for any loss or damage incurred as a result of any action and/or omission executed by it, based on such opinion and/or advice, unless it was determined in a peremptory judgment that the Trustee acted in a negligent manner, which is not exempted by law, as would be applicable from time to time and/or lack of good faith and/or maliciously. The Company will bear all reasonable costs with respect to the employment of the Consultants, appointed as stated above, provided that wherever possible under in the circumstances and so far as it may injure the rights of the Holders, the Trustee will give to the Company prior notice of its intention to obtain

such an expert opinion or advice. In this matter, publication of the invitation to a meeting of Debenture Holders, whose agenda includes the appointment of Consultants, as stated, shall be viewed as the passing of an early notice to the Company.

Any such advice or opinion may be given, sent or received by letter, cable, facsimile and/or any other electronic means intended for the transmission of information and the Trustee will not be liable for actions executed by it in reliance on any advice, opinion or message, transmitted to it by any of the aforementioned methods, even if they included errors or were not authentic, unless the errors or unauthentic nature could have been discovered in a reasonable examination. It is hereby clarified that the documents are transferable, on the one hand, and the Trustee may rely on them, on the other, only where a clear and readable copy thereof is received. In any other case, the Trustee will be obligated to demand their receipt in a manner, which would enable them to be readable and understood.

Subject to the provisions of this Deed, the Trustee may, but is not obligated, to convene, at any time, a meeting of Debenture Holders to discuss and/or obtain its instructions on any matter pertaining to this Deed. The provisions of Section 52m of the Law will apply to the actions of the Trustee, as specified above.

Within the framework of the trusteeship, the Trustee will use the powers, authorizations and authorities vested in it under this Deed, as per its absolute discretion, and subject to any other provisions of this Deed, the Trustee will not be liable for any damage caused as a result of any mistake of judgment, unless it has been held in a peremptory judgment that the Trustee acted in a negligent manner, which is not exempted by law, which is applicable from time to time, or in bad faith or in a malicious manner.

Subject to any law, the Trustee will not be obligated to give notice to any party of the execution of this Deed and it may not intervene in any manner whatsoever in the management of the business or affairs of the Company, other than in accordance with the powers vested in it under this Deed or according to the law. Nothing in this section may in any way limit the Trustee in the execution of actions that should be executed by it in accordance with the Deed of Trust and the law.

24. **Authority of the Trustee to Hire Agents**

The Trustee will be entitled, in the management of the trusteeship affairs, to appoint agent(s) that will act in its stead, either an attorney or another, in order to carry out or to participate in the carrying out of special actions, which should be executed in connection with the trusteeship and without derogating from the generality of the above, instituting legal proceedings, wherever possible and wherever it does not prejudice the rights of the Holders. The Trustee will notify the Company in advance of the appointment of an agent, as stated above. In addition the Trustee will be entitled to pay, at the Company's expense, the fees of any such agent (including in advance) and the Company will reimburse the Trustee for its aforementioned expenses immediately upon its first demand. In this matter, publication of the invitation to a meeting of Debenture Holders, whose agenda includes the appointment of an agent, as stated, shall be regarded as the passing of an early notice to the Company.

25. **Indemnification of the Trustee**

25.1 The Company and the Debenture Holders (on the relevant Effective Date as stated in Section 25.7 of the Deed of Trust, each with respect to the undertakings as stated in Section 25.5 of the Deed of Trust), hereby undertake to indemnify the Trustee and any corporate officers therein, its employees, shareholders, an agent or an expert appointed by it and/or to be appointed by the Trustee under the provisions of this Deed of Trust and/or under a lawful resolution, adopted at the meeting of the Debenture Holders under the provisions of this Deed of Trust (hereinafter, wholly or partly, jointly and/or separately, the **"The Parties Entitled to Indemnification"**) with respect to the following:

25.1.1 Any damage and/or loss and/or financial obligation according to a judgment (in respect of which no stay of execution was granted) or under a settlement that was concluded (and to the extent the settlement concerns the Company, the consent of the Company was given to the settlement) the cause of action in respect of which relates to actions executed by the Parties Entitled to Indemnification or that they ought to perform under the provisions of this Deed of Trust and/or under law and/or according to the instruction of a competent authority and/or according to the provisions of any law and/or the requirement of the Debenture Holders and/or the requirement of the Company; And also with respect to-

25.1.2 The fee of the Parties Entitled to Indemnification and reasonable expenses incurred and/or about to be incurred in consequence of execution of the trusteeship or in connection with such actions, that in their opinion were necessary for the execution of that stated above and/or in connection with use of powers and authorizations granted by virtue of this Deed and the law, and also in connection with various legal proceedings, opinions of attorneys and other experts, negotiations, deliberations, expenses, insolvency proceedings, collection proceedings, debt settlements, assessment of the debts, valuations, claims and demands concerning any matter and/or issue carried out and/or not carried out in any manner whatsoever with respect to the stated above.

And all on condition that:

25.1.2.1 The Parties Entitled to Indemnification will not demand indemnification in advance on a matter that cannot be postponed, without prejudicing their right to demand indemnification retroactively, if and to the extent that such right arises;

25.1.2.2 It was not determined in a conclusive judicial decision that the Parties Entitled to Indemnification acted in bad faith and that said action was carried out not within the scope of fulfillment of their duties, not according to the provisions of the law and/or not pursuant to this Deed of Trust;

25.1.2.3 It was not determined in a conclusive judicial decision that the Parties Entitled to Indemnification acted maliciously or negligently, which could not be exempted by law.

The indemnification obligations according to this Section 25.1 shall be referred to as **“The Indemnification Liability”**.

- 25.2 It is agreed that in any event it is contended against the Parties Entitled to Indemnification that (1) that they acted in bad faith, or not within their duties, or not pursuant to the provisions of any law or the Deed of Trust; and/or (2) they were negligent in a manner that could not be exempted by law; and/or (3) they acted maliciously – the Parties Entitled to Indemnification will be immediately entitled, upon their demand, to payment of the ‘Indemnification Undertaking’ amount. However, to the extent that it is determined in a conclusive judicial decision that they acted as contended against them, the Parties Entitled to Indemnification will reimburse the ‘Indemnification Undertaking’ amounts, paid to them.
- 25.3 Subject to the provisions of Sections 25.1 above and without prejudice to the rights of compensation and indemnification, granted to the Trustee under the Law and/or within the obligations of the Company and the Debenture Holders under this Deed, the Parties Entitled to Indemnification will be entitled to receive indemnification out of the funds received by the Trustee, resulting from the proceedings assumed by it and/or in any other manner under this Deed, with respect to the undertakings assumed by them concerning reasonable expenses, incurred in consequence of the execution of the trusteeship or in connection with such actions, that in their view were reasonably necessary for actions stated above and/or in connection with the exercise of the powers and authorizations granted by virtue of this Deed and the law, as well as in connection with various legal proceedings, opinions of attorneys and other experts, negotiations, deliberations, expenses, repayment proceedings, collection proceedings, debt settlements, assessment of the debt situation, valuations, payments to the Trustee, as well as claims and demands with respect to any matter and/or act carried out and/or not carried out in any manner whatsoever with respect to the stated above, and the Trustee will be able to retain the monies in its possession and pay from them the amounts required for payment of the indemnification and its fee. All the aforementioned amounts will take priority over the rights of the Debenture Holders, subject to the provisions of any law, provided that it was not determined, according to a peremptory judicial decision, that the Trustee acted in bad faith or in contrast with the duties imposed on it, under the provisions of any law this Deed. For the purpose of this section, any activity of the Trustee that was approved by the Company and/or the Debenture Holders will be deemed as an action that was reasonably required.
- 25.4 Without derogating from the validity of the indemnification undertaking, as per Section 25.1 above, as long as the Trustee is obligated under the terms of the Deed of Trust and/or under the Law and/or the instruction of a competent authority and/or under the provisions of any law and/or at the requirement of the Debenture Holders and/or the requirement of the Company to carry out any action whatsoever, including but not only the

commencement of proceedings or the filing of claims, according to the requirement of the Debenture Holders, as stated in the Deed of Trust, the Trustee may refrain from taking any such action until it obtains, to its satisfaction, a deed of indemnification from the Debenture Holders or any of them, and if the action is carried out according to a requirement of the Company – from the Company, with respect to any liability for damage and/or expenses that could be incurred by the Parties Entitled to Indemnification in consequence of carrying out such an action and/or a monetary deposit to cover the Indemnification Undertaking (“**Financing Cushion**”) in the amount required, as the first priority from the Company, and in the event the Company does not deposit the Financing Cushion on the date, that it was requested to do so by the Trustee, the Trustee will approach the Debenture Holders, holding the Debentures on the Effective Date (as stated in Section 25.7 below) with a request that they will deposit the Financing Cushion amount, each according to its relative share (as this term is defined below). In the event, that the Debenture Holders do not actually deposit the entire amount of the Financing Cushion, the Trustee will not be under any duty to take any action or any relevant proceedings. Nothing stated above will exempt the Trustee from taking any urgent action required in order to prevent any substantive detrimental injury to the rights of the Debenture Holders.

The Trustee is authorized to determine the amount of the Financing Cushion and it may further act in order to create an additional cushion, from time to time, according to the amount determined by it.

The Indemnification Undertaking:

25.4.1 **Applying to the Company** in any event of (1) actions executed at the discretion of the Trustee and/or under the provisions of any law and/or that were required to be executed under the terms of the Deed of Trust and/or for the protection of the rights of the Debenture Holders (including on account of a demand of a Holder for such protection) and (2) actions performed and/or required to be performed at the demand of the Company.

25.4.2 **Applying to the Holders** on the Effective Date (as stated in Section 25.7 of the Deed of Trust) in any event of (1) actions performed and/or required to be performed at the demand of the Debenture Holders (excluding such actions that were taken at the demand of the Debenture Holders for the protection of the rights of the Debenture Holders, which under application of Section 25.4.1(1) above); and (2) non-payment by the Company of any amount of the Indemnification Undertaking, for any reason whatsoever. It should be clarified that a payment pursuant to subsection (2) above will not derogate from the duty of the Company to bear the Indemnification Undertaking, pursuant to the provisions of Section 25.4.1.

25.5 In any event whereby: (a) the Company does not pay the amounts demanded to cover the Indemnification Undertaking and/or deposit the amount of the Financing Cushion, as the case may be; and/or (b) the duty of indemnification applies to the Holders by virtue of the provisions of Section 25.4.2 of the Deed of Trust and/or the Holders were called to deposit the amount of the Financing Cushion under Section 25.4 of the Deed of Trust, the following provisions will apply:

The amounts will be collected in the following manner:

25.5.1 First - the amount will be financed out of the monies of the interest and/or Principal that the Company is required to pay to the Debenture Holders after the date of the required action, and the provisions of Section 12 of the Deed of Trust will apply;

25.5.2 Second - to the extent that the Trustee is of the opinion that the amounts deposited in the Financing Cushion will not be sufficient to cover the Indemnification Undertaking, the Holders on the Effective Date (as stated in Section 25.7 of the Deed of Trust) will each deposit the lacking amount according to its relative share (as this term is defined hereunder) with the Trustee. The amount that each Holder will deposit will bear annual interest at a rate equal to fixed interest on the Debentures (as stated in the First Addendum) and will be paid according to the priorities stated in Section 11 of the Deed of Trust.

**“Relative Share”** means: the relative share of the Debentures held by the Holder on the relevant Effective Date as stated in Section 25.7 of the Deed of Trust from the par value in circulation at such time. It is clarified that the calculation of the Relative Share will remain fixed, even if after said date, there will be a change in the par value of the Debentures in the possession of the Holder.

It should be clarified that the Debenture Holders, bearing liability to cover such expenses, as per this Section, will be able to bear such expenses beyond their Relative Share, and in such case the priority of reimbursement of such amounts will apply according to that stated in Section 11 of this Deed.

25.6 The Effective Date for determination of the liability of the Holder with respect to the Indemnification Undertaking and/or payment of the Financing Cushion is as follows:

25.6.1 In any event where the Indemnification Undertaking and/or payment of the Financing Cushion is required on account of a decision, or an urgent action required in order to avoid any substantive injury to the rights of the Debenture Holders, without any prior resolution of the meeting of Debenture Holders - the Effective Date for the liability is the end of the Trading Day on the date of taking the action or adoption of the resolution, and if the same day is not a Trading Day, then the preceding Trading Day.

25.6.2 In any event that the Indemnification Undertaking and/or the payment of the Financing Cushion is required under a resolution of the meeting of Debenture Holders – the Effective Date for the liability will be the date set for participation in the meeting (as this date was determined in the notice of invitation) and it will also apply to a Holder that was not present or did not participate in the meeting, if and to the extent it was determined that the Holders will bear the indemnification.

25.7 The payment by the holders in lieu of the Company of any amount, which is imposed on the Company according to this Section 25, may not release the Company from its liability to bear said payment. In the matter of priority of

reimbursement to holders, who bore payments, as per this section, out of the receipts of the Trustee see Section 11 of the Deed of Trust.

26. **Expense Cushion**

26.1 Without derogating from the provisions of Section 25 of the Deed of Trust, the Company will deposit with the Trustee on the Settlement Execution Date (according to its definition in the Settlement Plan), an amount equal to NIS100 thousand in the Expenses Cushion Account (as defined below), which will serve for the purpose of securing the payment of ongoing expenses and the management expenses of the Trustee in the event that the Debentures are called for immediate repayment and/or in the event that the Company is in breach of the provisions of the Deed of Trust (hereinafter and heretofore, the "**Expenses Cushion**").

It is clarified that the expenses will be paid by the Company, while the Expense Cushion account will serve for securing these payments, and the Trustee will be entitled to utilize the Expense Cushion for the aforementioned purposes, according to its discretion. The Company may not instruct the Trustee to use the funds in the Expense Cushion for the execution of any payments whatsoever.

26.2 The amount of the Expenses Cushion will be held in the cushion account until the full and final payment of the Debentures. After receipt of approval from the most senior corporate officer of the Company in the financial area concerning full payment of the Debentures, the Expenses Cushion (together with all profits accumulated with respect thereto) will be transferred to the Company, to the extent that it was not used, according to the details conveyed by it in writing to the Trustee.

26.3 Nothing stated above may exempt the Company from bearing the aforementioned expenses in an ongoing manner also in the event the Debentures are called for immediate payment and/or in the event the Company is in breach of the provisions of the Deed of Trust. In the event the Company does not bear the ongoing expenses and management expenses of the Trustee for any reason whatsoever, the Trustee may use the funds in the Expenses Cushion for payment of such expenses, without having to obtain the approval of the Company or the Debenture Holders.

26.4 In the event that the amount of the Expenses Cushion is insufficient for the purpose of covering the Trustee's expenses in connection with a call for immediate payment of the Debentures and/or if the Company is in breach of the provisions of the Deed of Trust, the Trustee will act pursuant to that stated in Section 25.4 above.

26.5 "**Expenses Cushion Account**" - an account, which will be opened in favor of the Trustee in trust for the Debenture Holders only with Bank [●] and also an account, which will replace said account, and also if its identifying mark shall change due to any cause whatsoever. The Trustee will have exclusive rights of signature in this account. All the costs of opening the account of the Expense Cushion, its management and closing will apply to the Company. The policy of

investment of the Expense Cushion and its execution shall be carried out by the Trustee, as stated in Section 18 above. The Trustee will not be liable toward the holders of the debentures and/or toward the Company for any loss caused in consequence of the investments, as stated;

- 26.6 It should be clarified, that the rights of the Company (if any) in the account of the Expense Cushion are not mortgaged in favor of the Trustee and/or the Debenture Holders. Therefore, there could be a situation whereby whatever third party (including an officer on behalf of the court and the like) will contend that the funds held in the account of the Expense Cushion belong to the Company and/or to all its creditors and not to the Holders of the Debentures (Series G) only.

## 27. **Notices**

- 27.1 Any notice on behalf of the Company and/or the Trustee to the Debenture Holders will be given by reporting on the MAGNA system of the Securities Authority; (the Trustee may order the Company and the Company will be obligated to place without delay on the MAGNA system, in the Trustee's name, any report as drafted in writing and transmitted by the Trustee to the Company), and in the cases specified below only, by an announcement published in two widely circulated daily newspapers published in Israel in the Hebrew language: (a) an arrangement or Settlement pursuant to Section 350 of the Companies Law, 5759-1999 or a similar proceeding, handled according to the law, relevant to the Company; (b) a merger. Any notice published or conveyed, as stated above, will be deemed to have been delivered to the Debenture Holders on the date of its publication, as stated above (on the MAGNA system or the press, as the case may be).

Copies of notices given by the Company to the Holders will also be sent by it to the Trustee. It is hereby clarified that notices, as stated above, do not include ongoing reports of the Company to the public through the MAGNA. Copies of notices given by the Trustee to the Holders will also be sent by it to the Company. Publication of notices on the MAGNA system, as stated above, will release the publishing party from the need to send them to the other party.

- 27.2 In the event that the Company shall cease to report, according to Chapter F of the law, any notice on behalf of the Company and/or the Trustee to the Debenture Holders will be given by way of delivery of the notice on registered mail to any registered Debenture Holder, according to its recent address, registered on the Ledger of Debenture Holders (in the event of joint holders – to the joint holder whose name appears first in the Ledger). Any notice conveyed, as stated, shall be regarded as if it was delivered to the Debenture Holders upon the lapsing of three business days from its delivery by way of registered mail. The Company will also see to the publication of an ad in two widely circulated dailies in the Hebrew language.

- 27.3 Copies of notices given by the Company to the Holders will also be sent by it to the Trustee. It is hereby clarified that notices, as stated above, do not include ongoing reports of the Company to the public through the MAGNA. Copies of notices given by the Trustee to the Holders will also be sent by it to

the Company. Publication of notices on the MAGNA system as stated above will exempt the publishing party from the need to send them to the other party.

27.4 Any notice or demand by the Trustee to the Company may be given by registered mail or by courier according to the address specified in the Deed of Trust, or according to any other address of which the Company notified the Trustee in writing, or via email, facsimile or by advertising it on MAGNA. Any notice or demand sent by registered mail will be deemed to have been received by the Company on the day on which it was delivered to the addressee according to the postal registries. Any such notice or demand sent by courier or by way of publication of a report on the MAGNA system will be deemed to have been received by the Company on the first Business Day following the date of its delivery to the Company or its publication on the MAGNA system, as the case may be. Any notice or demand sent via facsimile (together with confirmation of its receipt by telephone) will be deemed to have been received by the Company upon its confirmation by telephone. Any notice sent by email will be deemed to have been received by the Company within one Business Day after its passing.

27.5 Any notice or demand by the Company to the Trustee may be given by registered mail or by courier, according to the address of the Trustee, specified in the Deed of Trust, or according to any other address of which the Trustee notified the Company in writing, or via email or facsimile. Any such notice or demand sent by registered mail will be deemed to have been received by the Trustee on the day on which it was delivered to the Trustee according to the postal registry. Any such notice or demand sent by courier will be deemed to have been received by the Trustee on the first Business Day following the date of its delivery to the Trustee. Any notice or demand sent via facsimile (together with confirmation of its receipt by telephone) will be regarded as if it was received by the Trustee upon its confirmation by telephone. Any notice sent by email will be deemed to have been received by the Trustee within one Business Day after its dispatch.

28. **Waiver, Settlements and/or Amendments to the Terms of the Deed of Trust**

28.1 The Trustee may, from time to time and at any time, if it is convinced that it will not, in its opinion, prejudice the rights of the Debenture Holders, **waive any breach or non-performance of any of the terms of the Debentures or this Deed by the Company**, except (1) in relation to the dates and payments set forth in the terms and conditions of the Debentures, including the interest rate and repayment conditions of the Debentures; (2) causes for immediate repayment of the Debentures.

28.2 Subject to the provisions of the Law and according to a prior approval by way of a Special Resolution at a meeting of the Holders, the Trustee may, either before or after the Principal of the Debentures becomes due, enter into a Settlement with the Company concerning any right or claim of the Debenture Holders, and agree with the Company on any Settlement concerning their rights, including waiver of any right or claim of the Debenture Holders against the Company.

- 28.3 In the event that the Trustee settled with the Company, waived any right or claim of the Debenture Holders or any of them or agreed with the Company on any arrangement of rights of the Debenture Holders, after receiving an early approval from the meeting of Debenture Holders, as stated above, the Trustee will be released from any liability with respect to such an action, as approved by the general meeting, so long as it was not determined in an peremptory judicial decision that the Trustee breached the fiduciary duty and acted in lack of good faith or maliciously in the implementation of the decision of the meeting of the Debenture Holders.
- 28.4 Subject to the provisions of the Law, the Company and the Trustee may, either before or after the Principal of the Debentures becomes due, amend the Deed of Trust, including its appendices and/or the terms of the Debentures, if any of the following is satisfied:
- 28.4.1 The Trustee was convinced that the amendment is not prejudicial to the Debenture Holders, with the exception of (1) a change in the Trustee's identity or its fee or the appointing of a trustee in lieu of a Trustee whose office has terminated; (2) dates and payments, based on the terms and conditions of the Debentures, including the interest rate, payment conditions of the Debentures; and (3) the causes for immediate payment of the Debentures.
- 28.4.2 The proposed amendment was approved by the Debenture Holders as a Special Resolution.
- 28.5 The Company will pass to the Debenture Holders a written notice of any amendment, as specified in Section 28.1 and 28.4 above, without delay, as soon as possible after its execution.
- 28.6 In any case in which the Trustee exercises its rights under this Section, the Trustee will be entitled to demand that the Debenture Holders deliver their Debenture Certificates to the Trustee or to the Company, for the purpose of recording a notice therein regarding any such Settlement, waiver, amendment or change, as stated above, and according to the Trustee's demand, the Company will record such notice in the Certificates to be delivered to it.
- 28.7 Without derogating from that set forth above, the terms of the Debentures are subject to changes, both within the context of an arrangement or Settlement, as approved by the court, in accordance with Section 350 of the Companies Law.

29. **Ledger of Debenture Holders**

In accordance with the provisions of Sections 35h2 and 35h3 of the Securities Law, the Company will keep a ledger of Debenture Holders at its registered offices (the "**Ledger**"), in accordance with the provisions of the Securities Law, which is open for the inspection of any person.

The Company is not obligated to register in the Ledger of Debenture Holders any notice concerning an explicit, implied or contemplated trusteeship, or a pledge or

encumbrance of any nature whatsoever, or any equitable right, claim or set-off or any other right, concerning the Debentures. Only the title of the person in whose name the Debentures of said series are registered will be acknowledged by the Company, provided that the legal heirs, executors or administrators of the estate of the registered owner and any person entitled to the Debentures due to bankruptcy of any registered owner (and if it is a corporation – due to its liquidation) could register as the owner thereof, after presenting proof thereof, that the Company deems sufficient, in order to substantiate the right of any of them to be registered as the owner thereof. The provisions of the Company's Articles of Association concerning registration in the Shareholders Ledger, acknowledgment of heirs, executors and guardians of a deceased shareholder, concerning joint holders of shares and concerning notices to shareholders will also apply, *mutatis mutandis*, to the Debenture Holders.

30. **Release**

As it is proven to the Trustee's satisfaction that all of the Debentures have been paid-off or redeemed or when the Company deposits in trust with the Trustee funds which would suffice for redemption of all the Debentures, and when it is proven to the Trustee's satisfaction that all the undertakings and expenses made or incurred by the Trustee and/or its agents in connection with this Deed and according to its provisions have been paid in full - then the Trustee will be obligated, according to the first requirement of the Company, to act with the funds that were deposited with the Trustee for the Debentures, whose redemption has not been called, in accordance with the provisions set forth in this Deed.

31.1 The provisions of the Securities Law will apply to the termination of the Trustee's office.

31.2 Notwithstanding that stated above, a resolution of the Holders on the termination of the Trustee's office and its replacement by another will be carried out at the meeting of the Debenture Holders, where Holders of at least fifty percent (50%) of the remaining par value of the Debentures in circulation on the date scheduled for the meeting were present, in person or by proxy, or at an adjourned meeting of such a meeting at which the Holders of at least ten percent (10%) of the stated above balance were present in person or by proxy, which was adopted (either at the original meeting or at the adjourned meeting) by a majority of at least seventy five percent (75%) of the votes of those participating in the vote, with the exclusion of abstainers.

31.3 The Trustee may resign from its office at all times, after giving a written notice to the Company one month in advance, while specifying therein the causes for its resignation. The Trustee's resignation will enter into effect only after it has been approved by the court and from the date determined for this purpose by the court in its aforementioned approval.

31.4 The Securities Authority may file an application with the court to terminate the Trustee's office in accordance with the provisions of Section 35n of the Securities Law or any other provision replacing it.

31.5 The Trustee will cease holding its office, if it becomes evident that it is precluded from continuing to hold office, due to a change in the provisions of the Law and/or the law applicable to its eligibility to act as a trustee, including an event in which such impediment relates to the listing of the Debentures on the Stock Exchange. "Impediment" for this purpose will also include a demand on the part of the Securities Authority to terminate the Trustee's office.

31.6 Subject to the provisions of any law, a Trustee whose office has expired will continue to hold office until another Trustee is appointed. The Trustee will transfer to the new Trustee all the documents and amounts that have accumulated with it in connection with the trusteeship, subject of the Deed of Trust, and will sign any document required for this purpose. Each new Trustee will have the same powers, authorizations, duties and authorities and it will be able to act for all intents and purposes as if it had been appointed as a Trustee *ab initio*.

31.7 The Company will publish an immediate report in the event of the Trustee's resignation and/or the appointment of another Trustee.

Unless stated otherwise, reports of the Company on the MAGNA system will be deemed as if they were delivered to the Trustee.

The approvals to be granted by the Company to the Trustee, as stated above in this Section 33, will be signed by the authorized signatories of the Company, who are corporate officers.

34. **The Trustee's Fees**

- 34.1.3 For each shareholder meeting in which the Trustee participates, including its presence in a shareholder meeting, which was not opened due to lack of lawful quorum, the Trustee will be paid additional fees of NIS 750 per meeting.

- 34.1.5 It is hereby clarified that in the event that due to future changes in the laws and/or regulations and/or other binding provisions applicable to the actions of the Trustee, the Trustee will incur additional costs for the purpose of fulfilling its position, as a reasonable trustee, the Company will indemnify the Trustee for such reasonable costs, including its reasonable fees.
- 34.1.6 VAT will be added to each amount and be paid by the Company.
- 34.1.7 The Trustee's fees and reimbursement of expenses will be paid for the period until the termination of the trusteeship under this Deed, even if a receiver and/or special manager and/or any other appointment on behalf of and under supervision of the court were appointed to the Company, or whether or not the trusteeship under this Deed is conducted under the supervision of the court.

- 34.2 All the amounts in this Appendix are positively linked to the consumer price index with the base index being the index published on July 15, 2016. In order to remove any doubt, It is further clarified that in any event when an amount is linked to the consumer price index in accordance with the provisions of this section, the linked amount will not fall below the nominal amount set forth in this Deed. Without derogating from that stated above, if according to the provisions of any law, the Company is obligated to make a deposit, in order to secure the fulfillment of its obligation to bear the special expenses of the Trustee, the Company will act in accordance with such provisions.
- 34.3 The Company will bear any payment and/or expense involving the debentures, from their issuance until their final payment. These expenses, *inter alia*, include the fee of service providers, e.g. attorneys, underwriters, trustees, economic consultants, etc., if such services are retained, including taxes and fees, which are not imposed on the debenture holder on the strength of the law and all subject and according to the provisions of this Deed of Trust.

35. **Application of the Law and Exclusive Jurisdiction**

36. **General**

36.1 Without derogating from the other provisions of this Deed and the Debentures, any waiver, extension, discount, silence, failure to act (hereinafter, all of them jointly: " **Waiver**") by the Trustee concerning any non-fulfillment or partial or erroneous fulfillment of any of the Company's obligations under this Deed and the Debentures, will not be deemed as a Waiver by the Trustee of any right whatsoever, but rather as a consent limited to the special circumstances under which it was given. Without derogating from the other provisions of this Deed and the Debenture, any change in the Company's undertakings is subject to the Trustee's prior written consent. Any other consent, either verbally or by way of a waiver and refraining from action or in any other way, other than in writing, will not be viewed as any consent whatsoever. 41. **Liability of the Trustee**

41.1 Notwithstanding anything stated in any law and in the Deed of Trust, a trustee which acted pursuant to the fulfillment of its position in good faith

In the event that those seeking to summon the meeting are the Debenture Holders, the Trustee will be entitled to require from them indemnification for reasonable expenses involved therein.
4. It should be clarified that the indemnification requirement on the part of the Trustee will not hinder the summoning of a meeting, which is summoned for the purpose of taking an action, intended to prevent an injury to the rights of the Debenture Holders, nor will such indemnification requirement derogate from the duty of the Company to bear the expenses involved in the summoning of the meeting.
5. The Trustee will convene a meeting of Holders as specified in Section 2 above within 21 days from the date that a requirement to hold such meeting was delivered to it, scheduled to the date stated in the invitation notice, provided that the date of the meeting will not be seven days earlier nor 21 days later than the date of the invitation notice; However the Trustee will be entitled to precede the date of the meeting, for at least one day after the date of the notice, if it is of the opinion that it is required, in order to protect the rights of the Holders; Having done so, the Trustee will specify the reasons for preceding the date of the meeting in a report concerning the meeting.
6. If the Trustee did not convene a meeting of Holders, in accordance with a requirement of any Holder, within the time period specified in Section 5 above, such an Holder may convene the meeting, provided that the meeting is held within 14 days from the end of the period during which the Trustee may convene the meeting, and the Trustee will bear the costs incurred by the Holder in connection with having the meeting convened.

In the event that the court ordered, as stated above, the Trustee will bear the reasonable costs expended by the applicant within the court proceeding, as instructed by the court.

In the event that there is no practical way to convene or hold a meeting of Holders in the manner prescribed for that purpose in the Deed of Trust or by law, the court 6

#### **Defects in Convening the Meeting**

8. The court is entitled, at the request of a Holder, to order the cancellation of a resolution adopted by a meeting of Holders, which was convened or held without inconsistently with the terms prescribed for that purpose by law or this Deed.
9. If the defect in the invitation notice pertains to the place or time of the meeting, a Holder who came to the meeting, notwithstanding the defect, will not be entitled to require that the resolution will be revoked.

#### **Notice of a Meeting**

10. Notice of a meeting of Debenture Holders shall be published in accordance with the provisions of the Chapter G1 of the Law ('electronic reporting') and will be delivered to the Company by the Trustee, prior to reporting, according to the regulations promulgated under section 35h1(e) of the Securities Law, if any.

13. One or more Holders, holding at least five percent (5%) of the balance of the par value of the Series of the Debentures, may request that the Trustee will include an issue in the agenda of a Holders meeting, which will be convened in the future, provided that it is an issue which the Trustee deems that it may be properly discussed in such a meeting as stated above.
14. Resolutions in Holders meetings will be adopted only on issues that were included in the agenda of the meeting.

#### **Place of the Meeting**

15. A Holders meeting shall be held in Israel at a location, as would be notified by the Trustee. The Company shall bear the costs of having the meeting convened, including in any location other than its offices, provided it was given the opportunity to hold the meeting at its offices and the Company refused, or, if under the circumstances, holding the meeting in the Company's offices is unreasonable and the Company was given the opportunity to propose a reasonable location in which the meeting may be held.

#### **The Due Date of Proprietorship of the Debentures**

16. The Holders, entitled to participate and vote in a Holders meeting, are the Holders that are holding Debentures on the date set forth in the resolution that convenes the meeting.

18. The Trustee will keep minutes of the meetings of the Debenture Holders and will have such minutes kept at in its registered office for a period of seven (7) years from the date of each meeting. Minutes of the meeting may be by way of recording. Written minutes will be signed by the chairman of the meeting or by the chairman of the subsequent meeting. Each minutes signed by the chairman of the meeting will constitute *prima facie* evidence of the contents thereof, and for as long as it is not proven to the contrary, any resolution taken in such a meeting shall be regarded as if it was lawfully taken. The ledger of minutes will be kept by the Trustee, as stated above, and will be open for inspection by the Holders during work hours, subject to prior coordination, and a copy thereof will be sent to any Holder, which will request it.
19. The Trustee will be entitled to delay the delivery of any minutes to any entity whatsoever, if according to its exclusive discretion, the passing of the minutes, entirely or partially, may injure or bring about an injury to the rights of the Debenture Holders.
20. The statement of the chairman of the meeting that a resolution in a Holders meeting was adopted or rejected, either unanimously or by a certain majority, shall constitute *prima facie* evidence of its contents.

### **Lawful Quorum; An Adjourned or Continued Meeting**

21. A meeting of Debenture Holders shall be opened by the chairman of the meeting after he has determined that the lawful quorum, which is required for any of the issues on the agenda of the meeting, is present, as follows:
  - 21.1 Subject to the lawful quorum, which is required to open a meeting of Debenture Holders, which was convened to discuss a special resolution, in accordance with to the provisions of the Securities Law, which may not be stipulated, and the provisions of the Deed - lawful quorum is formed in the presence of at least two Debenture Holders, in person or by proxy, holding at least twenty five percent (25%) of the voting rights in circulation, within half an hour from the time fixed for the commencement of the meeting, unless the Securities Law or this Deed require otherwise. Notwithstanding, a consultation meeting (as defined in section 45 below) will be held at any number of participants.
  - 21.2 Where there is no lawful quorum present at the Holders meeting, as specified in Section 1.23 above, on the end of half an hour from the time fixed for the commencement of the meeting, the meeting shall be adjourned for a later date, which will not be earlier than two business after the due date for which the original meeting was scheduled or one business day, if the Trustee is of the opinion that it is required to protect the rights of the Holders; If the meeting has been adjourned, the Trustee will specify the reasons for such adjournment in a report concerning the convening of the meeting.
  - 21.3 Where there is no quorum present at the adjourned Holders meeting, as specified in Section 2.23 above, at the end of half an hour from the time fixed for the commencement of the meeting, the meeting shall be held according to any number of participants, unless the Law requires otherwise.

- 21.4 Notwithstanding the provisions of Section 2.23 above, where a Holders meeting is convened at the request of Holders, holding at least five percent (5%) of the balance of the par value of the Debentures in circulation, the adjourned Holders meeting shall be held only if the number of Debenture Holders present, in person or by proxy, is equal to at least the number which is required to hold such a meeting (i.e. at least five percent (5%) of the balance of the Principal).
- 21.5 The lawful quorum required to open a meeting of Debenture Holders, which has on its agenda a special resolution, is formed in the presence of Debenture Holders, in person or by proxy, holding or representing at least fifty percent (50%) of the unpaid par value balance of the Debentures in circulation. If a lawful quorum, as stated above, is not present within half an hour from the time fixed for the commencement of the meeting, the meeting will be adjourned and the provisions of Section 6.23 below shall apply.
- 21.6 The lawful quorum required to open a meeting of Debenture Holders, which has a special resolution on its agenda, which was adjourned as stated above, is the presence of Debenture Holders, in person or by proxy, holding or representing together at least twenty percent (20%) of the balance of the Principal.
- 22. According to a resolution of the Trustee or the chairman of the meeting or a resolution adopted by an ordinary majority of votes in any meeting in which a lawful quorum was present, the meeting (the "**Original Meeting**"), the discussion or the adoption of a resolution on an issue which was on the agenda, will be adjourned to a latter date and to such place as shall be determined by the Trustee or by the meeting, as stated above (the "**Continued Meeting**"). In a Continued Meeting, no issues will be discussed other than the issue, which was on the agenda and with respect of which no resolution was adopted.
- 23. Where a Holders meeting is adjourned without any change in its agenda, invitations concerning the new time fixed for the Continued Meeting will be given as soon as possible and not later than within 12 hours before the Continued Meeting; Such invitations will be delivered in accordance with the provisions of Section 10 above.
- 24. A holder, who was not present in the Original Meeting, may appear to the Continued Meeting and vote on the issues that were placed for voting (that the voting thereon has not been completed, as yet), subject to providing evidence to the party, summoning the meeting, concerning his holding of the Debentures, which are the subject of the meeting, as of the Effective Date for the meeting, as determined in the invitation notice to the meeting.

### **Participation and Voting**

- 25. Each Debenture Holder will be entitled to one vote with respect to each NIS 1 par value of the Debenture.
- 26. In the event of joint Holders, only the vote of the party, whose name is recorded first in the Ledger, will be accepted, either in person or by proxy.
- 27. Resolutions in a meeting will be adopted by a count of votes.
- 28. A Debenture Holder may vote in a Holders meeting, in person or by proxy and by a letter of voting in which it will indicate how he votes.
- 29. A letter of voting where a Holder has indicated his vote and which has reached the Trustee prior to the last day prescribed for same, shall be considered as presence at the meeting for the purpose of existence of a lawful quorum, as provided in Section

22 above. Accordingly, the Trustee is entitled, at its own discretion and subject to any law, to hold voting meetings in which voting will be conducted by means of letters of voting and without convening the Holders, and also to hold voting by means of letters of voting at a voting meeting (including at an adjourned meeting) where the necessary lawful quorum for adopting a resolution in the issue on the agenda was not present at its commencement, provided that the Trustee receives, until the time of closing the voting meeting, which shall be determined in the notice of convening the meeting or holding the voting, as the case may be, letters of voting from the Holders that constitute the necessary lawful quorum for the purpose of adopting the resolution in the Original Meeting or the adjourned meeting, as the case may be.

30. A letter of voting received by the Trustee, as stated above, regarding a particular matter in respect of which no vote was held at the Holders meeting shall be considered as an abstention in the vote at such general meeting in respect of a resolution to hold an adjourned Holders meeting in accordance with the provisions of Section 21 above, and shall be counted at the adjourned Holders meeting, which would be held in accordance with the provisions of Sections 21 or 19.3 above.
31. A Debenture Holder may vote on some of the Debentures held by it and may also vote on certain part thereof in favor of a resolution and on another part thereof against it, as it may deem fit.
32. The holdings of a Holder, who is a related individual (as this term is defined in the Deed of Trust) will not be taken into account for the purpose of determining the lawful quorum in the Holders meeting and his votes will not be taken into account in a vote at such meeting, as stated above.

### **Resolutions**

33. In a vote, resolutions in a Holders meeting will be adopted according to an ordinary majority, unless a different majority is prescribed by Law or according in the Deed of Trust.
34. In the counting of the votes, abstaining votes will not be taken into account.
35. The chairman of the meeting may determine that the voting will be by way of letters of voting or voting during the course of the meeting. In the event that the chairman determined that the voting will be by way of letters of voting, the Trustee will ensure that the drafting of the letter of voting will be distributed to the Holders, and will determine the closing date for voting, whereby Holders must send their complete and duly signed letter of voting to the Trustee by that time. The Trustee, at its discretion, may require a Holder to declare within the framework of the letter of voting with respect to the existence or absence of any Conflict of Interests (as defined below). A Holder that fails to completely fill out the letter of voting and/or fails to prove its entitlement to participate and vote at the meeting, pursuant to the provisions of the Second Addendum, shall be deemed as if it has not provided a letter of voting, and therefore chose not to vote on the matter/s in the letter of voting. A full and lawfully signed letter of voting, where the holder indicates his manner of voting, reaching the Trustee up until the last date determined thereto, will be regarded as his presence in the meeting for the purpose of the lawful quorum in the meeting.
36. As a Holders meeting is convened (whether called by the Company, a Holder or the Trustee), the Trustee will examine whether the Debenture Holders are in any Conflict of Interests between a matter arising from their Debenture holding and any other matter of theirs, as determined by the Trustee ("**Conflict of Interests**"). The

Trustee may require from a Holder, who participates in a meeting, to notify it, before the vote, of another matter he may have and whether there is a Conflict of Interests, as stated above.

Without derogating from the stated above, each of the following shall be deemed as being in a Conflict of Interests:

- 36.1 A Holder who is a related individual (as this term is defined in the Deed of Trust);
- 36.2 A Holder, who acted as an officer in the Company on or about the date of the event, underlying the resolution of the meeting;
- 36.3 Any Holder in respect of whom it was determined by the Trustee that it is in a "Conflict of Interests" pursuant to that stated herein and subject to any law and/or directive of a competent authority, among other things: any Holder that shall declare in writing to the Trustee that it has any personal material interest that deviates from the affairs of all the other Debenture Holders in the relevant meeting of the Debenture Holders. A Holder that fails to provide a written declaration after being requested to do so by the Trustee shall be deemed as if he has declared having such a personal interest, and the Trustee shall determine with respect thereto that the Holder has a Conflict of Interests. Without derogating from the stated above in Section 37, the Trustee shall examine whether the Holder is a Holder with a Conflict of Interests, while taking into account the holdings of that same Holder in other securities of the Company and/or securities of any other corporation, which is relevant to the resolution brought for the meeting's approval (as shall be detailed in the letter of voting), pursuant to that same Holder's declaration.

A determination of existence of a Conflict of Interests shall also be made based on a general test of conflicts of interest carried out by the Trustee. Similarly, in order to remove any doubt, it is clarified that nothing in the provisions of defining Debenture Holders as being in Conflict of Interests shall derogate from the provisions of any law, adjudication and binding directives of the Securities Authority, with respect to defining Debenture Holders as being in Conflict of Interests, as would be in effect on the Examination Date.

- 37. For the purpose of examining said Conflict of Interests, the Trustee may rely upon a legal opinion ordered by it, and the provisions of the Deed of Trust shall apply thereto with respect to the bearing of any costs.
- 38. It should be clarified that the examination of a Conflict of Interests as stated above, if and insofar as it is required in the Trustee's opinion, shall be conducted separately with respect to each resolution on the meeting's agenda as well as with respect to each meeting separately. It should further be clarified that nothing in the declaration of a Holder as being in a Conflict of Interests in any resolution or meeting whatsoever, shall in itself indicate a Conflict of Interests of that same Holder in a different resolution on the agenda at that meeting or with respect to other meetings.
- 39. In counting the votes at a vote taken in a Holders meeting, the Trustee will not take into account the votes of the Holders which have failed to respond to its request, as specified in Section 3.37 above, or of Holders with respect of which it found that a Conflict of Interests existed, as defined above. Notwithstanding the stated above, in the event that the aggregate holdings of the parties, participating in the meeting, which are not Holders having a Conflict of Interests, fell below five percent (5%) of the balance of par value of the Debentures of the relevant series, the Trustee will

also take into account in counting the votes at a vote, the votes of the Holders having a Conflict of Interests.

#### **Voting and Acts by proxy/legal representative**

40. A letter of appointment of proxy will be in writing and signed by the appointing party or its duly authorized representative. If the appointing party is a corporation, the appointment will be in writing and will bear the corporation's seal, together with the signatures of the authorized signatories of the corporation, and the appointed will be entitled to act on behalf of the corporation represented by him.
41. The proxy will be drawn up in any form acceptable to the Trustee.
42. A proxy does not have to be a Debenture Holder.
43. A proxy and a power of attorney and any other certificate under which the proxy was signed or a certified copy of such a power of attorney, will be delivered to the Trustee until the date of the meeting, unless it is otherwise stated in the invitation notice by which such meeting is convened.
44. A voting that was executed according to the conditions, specified in the document appointing a proxy, will be valid even if the appointer died earlier or was declared disqualified or if the letter of appointment was cancelled or that the debenture in respect of whom the vote is given was transferred, unless if a notice in writing with respect to the death, decision of disqualification, cancellation or transfer, as the case may be, was received at the offices of the Trustee, prior to the meeting.
45. Any corporation, which is the holder of a debenture, is entitled through a lawfully signed authorization in writing, to authorize any person deemed fit by it to act as its representative in any meeting of Debenture Holders, and the individual appointed in this fashion will be entitled to act on behalf of the corporation represented by him.
46. The Trustee will participate in the meeting through its employees, office holders, position holders or any other person appointed by it, but it will not have a voting right.
47. The Company and any other person with the exception of the Trustee will not be entitled to participate in a meeting of Debentures Holders or any part thereof, in accordance with a resolution of the Trustee. Notwithstanding the provisions of this Section, the Company will be able to participate in the opening of a meeting, in order to express its position on any issue that may be on the agenda of the meeting and/or the presentation of a particular issue (as the case may be). In order to remove any doubt, the Company will participate in the meeting without a voting right.

#### **Addressing Debenture Holders and Stand Notices**

48. The Trustee and one or more Holders, holding at least five percent (5%) of the par value balance of the Debentures in circulation, through the Trustee, may address the Holders in writing, in order to convince them how to vote on any of the issues to be discussed at such meeting ("**Statement of Position**").
49. Where a meeting of Holders was summoned in accordance with Section 2 above, a Holder may request the Trustee to publish, in accordance with the provisions of this Deed, a Statement of Position on its behalf to the other Debenture Holders. It is clarified that the liability for the contents of the stand notice is imposed on the party submitting the stand notice only.  
The Trustee and the Company will be each entitled severally to publish a stand

notice in response to the stand notice that was conveyed, as per that stated above, or in response to another approach to the holders of the debentures.

**Convening a Holders Meeting for Consultation Purposes**

- 50. An invitation on behalf of the Trustee for consultation only with the Debenture Holders will be published at least one day before the date of the meeting ("**Consultation Meeting**"). In the convening of a Consultation Meeting the issues on the agenda will not be specified and no resolutions will be adopted therein.
- 51. No stand notices will be published in a consultation meeting.

**General**

- 52. All that is stated in this Addendum is subject to the provisions of the Deed of Trust.
- 53. The Securities Regulations (Voting in Writing, Stand Notices and Proofing Title of Obligations Certificate, Pursuant to the Voting in a Meeting of Holders of Obligation Certificates) 2015, shall apply to this Addendum.

**Part 3**  
**Explanatory Statement in relation to the Settlement Plan**

**MirLand Development Corporation Plc.**  
Incorporated in accordance with the laws of Cyprus  
(the "**Company**")

**Preamble**

The Company was incorporated in Cyprus on 10 November 2004 as a private company in accordance with the laws of Cyprus.

The Company's shares have been traded on the AIM since 2006. During 2007-2014 the Company issued to the Israeli public six (6) series of bonds (totaling approximately NIS1 billion (approximately US\$250 million)) which are listed on the Tel Aviv Stock Exchange.

The Company, through its subsidiaries, purchases, constructs and develops commercial and residential real-estate projects in Russia for commercial purposes.

As a result of the extreme volatility of the Rouble and its resulting severe impact on the economic climate in Russia, as well as the significant sanctions that have been imposed on Russia, the Company has experienced cash-flow difficulties and a reduction in its revenues and profits.

Following such events, on 18 December 2014, the Company announced an anticipated withholding of upcoming payments to the bondholders of series A and B, and on 2 February 2015, on the withholding of payments to bondholders of all series A-F (collectively, the "**Bondholders**").

On 2 February 2015, S&P Maalot lowered the rating of series A-F bonds to D (Default). Additionally, the Company's auditor issued an unmodified opinion which included an 'emphasis of matter paragraph' regarding a "Going Concern" issue to the Financial Statements for the year ending 31 December 2014.

In light of the above, the Company approached the trustees of the Bondholders (the "**Trustees**") in order to commence a dialogue with the intent of restructuring its debt.

As part of the negotiations with its Bondholders, on 26 January 2015, the Company signed a stand-still undertaking letter for the benefit of the Bondholders according to which the Company took upon itself and upon its business operations several 'going concern' obligations.

The parties formulated an arrangement which was approved by the Bondholders in October 2015 (the "**Previous Settlement Plan**").

The Previous Settlement Plan was not completed due to the non-fulfillment of the conditions precedent while at the same time further deterioration of the economic conditions in Russia occurred rendering the Previous Settlement Plan principles to be irrelevant.

The Company announced on 2 February 2016 it had entered into discussions with the Trustees in order to amend the Previous Settlement Plan. During April 2016 the Trustees published the principles of a new proposed arrangement.

On 28 June 2016, the Company filed an application with the District Court of Paphos to convene a meeting of the Bondholders and an extraordinary general meeting of the Shareholders of the Company to approve the Settlement Plan based on the arrangement plan

proposed by the Bondholders. On 4 July 2016 the District Court of Paphos approved the Company's application.

On 8 July 2016, the Company announced a series of agreements were entered into with the view to restructuring the debt of its subsidiaries with SberBank of Russia - the main bank financing of the Company and its subsidiaries' operations in Russia (the "**Bank**") with respect to loans granted by the Bank, totaling approximately US\$160 million.

On 11 August 2016, the Company announced that following preliminary meetings with the Bondholders held in Israel on 9 August 2016, the Settlement Plan had been approved between the Company and its Bondholders (Series A-F).

### **Principles of the Settlement Plan**

1. Approximately US\$219 million of the debt owed to the Bondholders will be converted into equity in the Company, leaving approximately US\$45 million of outstanding bonds (the "**Remaining Debt**"); in this connection, Bonds held by the Company's subsidiaries will not be entitled to be repaid under the Settlement Plan.
2. Jerusalem Economic Ltd., Industrial Building Corporation Ltd. and Darban Investments Ltd. (the "**Controlling Shareholders**") have irrevocably committed to provide funding of up to US\$14.1 million in aggregate (including US\$7.3 million which has previously been provided to the Company) (the "**Commitment Amount**") in return for approximately a 19.5% interest in the Company's equity. Such funding shall be by means of a subscription by the Controlling Shareholders (the "**Subscription**") for new ordinary shares of US\$0.01 in the capital of the Company ("**Shares**") and an open offer to Shareholders ("**Open Offer**" and, together with the Subscription, the "**Capital Raising**"). The Controlling Shareholders will subscribe for all new Ordinary Shares offered under the Open Offer, subject to clawback to satisfy valid applications by Shareholders (other than the Controlling Shareholders under the Open Offer). Upon completion of the Settlement Plan (the "**Completion Date**") and for a period of 12 months thereafter (the "**Restriction Period**"), the Controlling Shareholders shall commit, with respect to Shares to be issued to them pursuant to the Capital Raising (the "**Restriction shares**"), as follows: (a) during a period of six months from the Completion Date (the "**First Period**") they will not be allowed to sell or transfer Restricted Shares; (b) from the end of the First Period and until the end of the Restriction Period, they will be entitled to sell and transfer not more than 50% of the Restricted Shares. The above shall not apply to: (a) Sale of Restricted Shares (all or part) as part of a tender offer to be offered (if offered) to all of the Company's shareholders during the Restriction Period; and (b) the sale and transfer of Restricted Shares (all or some) between the Controlling Shareholders and companies controlled by them.
3. After completion of the Capital Raising and TASE Admission the Company shall cancel the admission to trading on AIM.
4. Upon completion of the Settlement, the Bondholders will be interested in approximately 80.5% of the Company's enlarged share capital (which includes the interest held by the Controlling Shareholders and assumes that the Capital Raising has been completed) further to the conversion described above; and
5. The Remaining Debt (i.e. – New series G) will remain unsecured and will be restructured on the following basis: (a) repayment of the Remaining Debt will commence in 2021 with three equal annual installments, (b) the Remaining Debt will bear an annual interest of 1%, which will start to be paid in December 2017. In this connection, the payment of the accrued interest shall be paid at that date, (c) the Company will have the right to repay the Remaining Debt at any time and at its sole discretion without incurring any fees or penalty, (d) there will be no limitation or restriction/covenants on the Company raising any

additional secured / unsecured debt, (e) events of default will only be in accordance with Israeli securities law.

**Exhibit A** attached hereto provides the repayment schedule in relation to the Company's series G bonds.

6. Upon the completion of the Settlement Plan, the Company will issue to certain managers of the Company options to purchase shares in the Company (according to the Company sole discretion which upon exercise, will constitute up to 9% of the issued share capital of the Company, immediately after their allocation and the allocation of all Shares under the Settlement Plan (the "**Management Options**"). Such Management Options will be exercisable in four equal instalments, as follows:
  - (a) the first instalment will be exercisable 12 months from the Completion Date;
  - (b) the second instalment will be exercisable 24 months from the Completion Date;
  - (c) the third instalment will be exercisable 36 months from the Completion Date; and
  - (d) the four instalment will be exercisable 48 months from the Completion Date.

Subject to meeting performance criteria, all Management Options will expire on the fifth anniversary of the first applicable instalment vesting date set out above. The Management Options shall be subject to adjustments with respect of a rights issue, issuing bonus shares, dividend distribution, changes in equity.

7. Upon completion of the Settlement Plan, a meeting of the shareholders of the Company will be convened in order to approve the adoption of new Articles of Association of the Company, which will include provisions for the appointment of directors to the Company, stating principally, that until full repayment of the unpaid balance of the new bonds (Series G) (the "**Payment Date**"), the board of the Company shall consist of at least two external directors and an additional independent director (according to the definition thereof in the Israeli Companies Law, 5759-1999).
8. Upon completion of the Settlement Plan, officers, directors, employees and controlling shareholders (of the Company and any of its subsidiaries) and their consultants shall receive full waiver from any claims, excluding criminal /fraudulent/ malicious actions. The above will apply with respect to the Trustees and the Bondholders in a reciprocal manner.
9. Completion of the Settlement Plan is conditional upon, amongst other things, the following conditions precedent:
  - (a) the approval of the Settlement Plan by the shareholders of the Company according to the Cypriot Laws;
  - (b) the approval of the Settlement Plan by the Bondholders according to the Cypriot Laws;
  - (c) the approval of the Settlement Plan by the Cypriot Court;
  - (d) the approval of the following by TASE and ISA:

- (i) changes of the Series A-F Bonds according to the Settlement Plan;
- (ii) the amendment of the Company's TASE shelf prospectus in respect to the issuance of the securities pursuant to the Settlement Plan;
- (iii) registration for trade on TASE of the securities to be issued under the Settlement Plan;
- (e) the receipt of a ruling from the Israeli tax authorities;
- (f) execution a new Trust Deed with the Trustee of the new bond (series G);
- (g) the increase the authorised share capital of the Company;
- (h) the entry into and completion of a debt arrangement with Sberank; and
- (i) the receipt of the signed undertaking by the Controlling Shareholders in respect to the Commitment Amount.

The Company believes that the Settlement Plan scheme as presented above is mutually beneficial for all parties and will enable the Company to continue its operations as a going concern.

Neither the Trustees nor the Directors of the Company have personal interests in the Settlement Plan, except for (i) the issuance of the Management Options to the Officers as detailed in section 7 of the Settlement Plan, (ii) the issue of the shares and new bonds series to the Controlling Shareholders (who are also the Bondholders) as detailed in section 5 of the Settlement Plan; and (iii) the mutual exemption from claims as detailed in section 13 of the Settlement Plan.

This Explanatory Statement has been drafted for ease of reference only and only contains the main provisions of the Settlement Plan. It should not be considered in anyway as a substitute for a careful review of the Settlement Plan.
